

Are you a parent or caregiver of a school-aged student*?

* (PreK – grade 12)

Your feedback is needed on Michigan's new, online "school transparency dashboard."

The dashboard shows the performance of every public school in Michigan, including public school academies (charter schools).

This parent-friendly, online tool reports on more than 20 different factors—or measures—that parents and other stakeholders have said are important to them when evaluating the quality of a school.

Your answers—and those of others like you—can help make sure the dashboard makes school performance information clear and understandable for *all* viewers.

www.surveymonkey.com/r/MDEESSA_Dashboard2017

Survey details:

- You can complete the survey on any computer, tablet, or mobile device.
- The survey should take no more than 15 minutes to complete.
- All answers will be confidential.
- Survey must be completed by **November 15, 2017**.

Michigan's school transparency dashboard is expected to be made available to the public by early 2018. The dashboard and this feedback initiative are rooted in the belief that all Michigan residents have a right to know how well public education is serving our state's children.
