I will post on our Facebook and Website if approved by our Board of Education
Academic Eligibility

- Must be passing 5 of 7 classes or 70% of your classes at the end of the semester to be eligible for the next semester.

- Weekly grade checks will be made. Must be passing 5 of 7 at that time. Grade checks will be made during the 4th week of the 1st and 3rd marking period to allow time to generate grades. If you are ineligible to play for that week, you will be eligible to play the following week if the above threshold is met.

- A student may practice if they are academically ineligible at the semester but will not be eligible for to participate in a contest.

- It is expected that student athletes attend and participate in practice if they are ineligible during weekly grade checks.
Practice/Game day Eligibility

- Student must be in session for a Half Day.
- Exceptions will be made for Family emergency, Funerals, Doctor Appt. or School related absence-
  Documentation must be provided to the main office. (These are counted as excused)
- Ex. If you leave school and or do not attend school this is counted as an unexcused absence and you will not be able to participate in practice or competition.
- Please communicate with the Office and myself, we understand that unexpected events occur.
Transfer Students

- If you moved in the district you and it is deemed a full family move by the district you will be automatically eligible to play for the 2018-19 school year.

- If you are a school of choice student and you transfer for any reason other than athletic reasons you are deemed eligible after 90 school days. You must sit 90 school days. If it is decided that you transfer for Athletic purposes you must sit a whole school year or 180 school days.

- Please note- If we are unsure on your status you will sit until the MHSAA confirms your eligibility.
